## **HB 642**

March 18, 2007

**SUMMARY OF BILL:** Requires the Health Related Boards having jurisdiction over practitioners who requests or provides cytopathology services shall conduct a hearing prior to revoking, suspending or denying renewal of the license of any such practitioner who violates the provisions of cytopathology services.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**  
**Increase State Revenues – Not Significant**

Assumptions:

- Currently, the Health Related Boards conduct disciplinary hearings prior to revoking, suspending, or denying the renewal of a practitioner's license. This will require a disciplinary hearing that would not normally occur. Such will not result in a significant increase in state expenditures.
- All Health Related Boards, by statute, are self-supporting such that revenues equal expenditures.
